SINCERITY IN DEALING

A doctor who had been treating a wealthy patient for a terminal illness finally gave up and told the patient, "I have done my best which is humanly possible for you. The rest we leave to God : man treats and God cures". The patient remained quite for several minutes and finally asked the doctor: "after how many years of treating me have you come to this conclusion?" The Doctor adjusted his spectacles and consulted his treatment files and told him, "four years nine months and fifteen days to be exact." "And how much did you charge me for that?" the patient asked impatiently. The doctor again checked over his files and calculated and answered, "a total of two million nine hundred and ninety nine thousand, nine hundred and ninety nine shillings and ninety five cents. Call it three million" "Go to hell" the patient cursed the doctor. "was it your need for money that made you withhold for so long this information about divine intervention. You could have told me this before collecting the first shilling from me" he told to the doctor angrily. "I was doing my best." the doctor protested. "You have broken the eighth commandment 'Thou shall not steal' God will not forgive you." the patient said painfully and breathed his last.

Lesson: Sincerity in relationships is more important than all the money in this world.

SAINTS ON OUR WAY

A Friend of Youth!

Dear young people there is some one who loves you!
Mother Marie Eugene loves you dear youth!
Young like you at 15, she lost her mother
But she did not despair, because she loves youth,
The future of the society.
Young like you at 18, she rediscovered her faith,
And decided to be a disciple of the Lord in the church,
For the sake of youth, the hope of the future.
Young like you at 22, she founded the
Religious of Assumption for the education of the youth,
Because she loves you dear young people.
Mother Marie Eugene loves you dear youth,
And believes that you can renew the world and
Make it better not only better but a place for the Glory of God.
Let us love her because she loves us and
the whole Church acknowledges it declaring her saint
On 3rd of June because she loves the youth.

WITH REVERENCE TO THE MESSENGER OF JESUS' MESSAGE.

"Great generals win campaigns, but it is the unknown soldier who wins the war." Famous theologians delve the depths of theology. But it is the unknown catechist, who directs and guides the souls in Jesus' ways. The catechist lives in obscurity and contends with day to day hardships. For them no trumpets blare, no chariots wait, no golden decorations are decreed. They keep watch along the borders of darkness and make the attack on trenches of ungodliness, and loveless lives, that care not for dignity of the human person as child of God. They fight the good fight for God and His kingdom. Patient in duty they strive to conquer the evil powers which are enemies of the child, the youth, and even the adult. They awaken the indolent, encourage the eager and steady the unstable. They communicate their own joy to all, of being the servant of a Master who was hung on a tree, yet defeated death and is the Risen one. They share with one and all, specially the young the treasure they discovered in the Good News and the blessings in the sacraments. They light many candles which will become the light of the world, and will cheer the world around. The knowledge of God may be gained from books, but the experience of God can be transmitted only by personal contact. No one deserves a better accolade than the catechist, no one deserves better the title of God's ambassador than the catechist. They are the prophets of the greatest of all prophets, they are the torchbearers of the one who can remove darkness, they are the heralds of the King of love. What about you? Dare to be the soldier of the King of Kings. If you dare, then sign up at the nearest recruitment centre.

The Assumption sisters are committed to helping young people discover meaning in their lives and with God's help to empower them to transform society. Young people are searching for meaning in their lives, for authenticity and truth. Priority for youth has always been an essential part of the Assumption mission. "I love all my unknown brothers and sisters with a love you increase in my heart each day. The world is not large enough for my love. I want to spread its waves over all weary hearts and give the light and love that I enjoy to all those who do not know you." ***Blessed Marie Eugenie***

LAST DROP

- God did not promise days without pain, laughter without sorrow, sun without rain. But indeed he promised strength for the day, comfort for the tears, and light for the way.
- Never abandon the old friend you can never find one who can take his/her place. Friendship is like wine, it becomes better as it grows older.
- When something happens to you, good or bad. Consider what it means. There is a promise to life's events, to teach us to laugh more or not to cry too much.
